# ACKNOWLEDGEMENTS

---

The Board of Table Tennis Queensland would like to thank Sport and Recreation Queensland, the Queensland Government's agency for sport, for their continued financial support in 2008.

TTO would also like to acknowledge the support of Table Tennis Australia in particular for their continued funding of the National Training Centre.

TTO would like to acknowledge the work of Bundaberg Table Tennis Association in successfully hosting the 2008 Queensland Senior Championships, Townsville Table Tennis Association in successfully hosting the Queensland Junior Championships and Wynnum Table Tennis Association in successfully hosting the Queensland Veteran Championships.

In addition, the Board recognises that the sport of table tennis within Queensland depends upon the army of volunteers who organise clubs, events, transportation and of course Table Tennis Queensland itself. Therefore Table Tennis Queensland would like to thank all volunteers, coaches, players and parents who have all contributed towards the success of the sport in 2008.

Finally, Table Tennis Queensland would like to thank all clubs and individual members for their continued support in 2008.

# PRESIDENT'S REPORT

---

*Trevor Barrett*

Once again we find ourselves at the beginning of a new year, and in addition to looking forward to 2009 it is also time to reflect on events in Queensland table tennis during 2008, to feel pleased with our successes as well as pondering over areas where we might have hoped for better outcomes.

The up-coming AGM sees the culmination of the first bi-annual period of Board membership under the succession scheme introduced two years ago to foster the introduction of new members to the Board while at the same time guaranteeing a degree of stability of management during future transition periods.

Consequently, with the up-coming completion of current terms by several Board members including myself, I would like take the opportunity to recognize the contributions of Andrea Payne (Wynnum), Danny Lloyd (Brisbane) and Rhonda Miller (Townsville) to the Board during the past two years. Their expertise and knowledge of table tennis and commitment to developing the sport has been of great benefit to table tennis in Queensland and hopefully we will see further involvement of these people with the Board in up-coming years.

While on this vein, it would also be remiss of me not to acknowledge on behalf of Table Tennis Queensland the efforts of Bronwyn Marshall who has recently stepped down as CEO of Table Tennis Australia. A former CEO of Table Tennis Queensland, Bronwyn has made a significant contribution to table tennis, and we wish her well in her future endeavours.

Further, it was pleasing to see a Queenslander elected as President of Table Tennis Australia during 2008 and I would like to formally offer congratulations to Will Goodier on his appointment. He no doubt brings considerable experience to the role.

Looking back on 2008 there have been some significant issues and achievements in my opinion, and in the remainder of this report I would like to offer some discussion on some areas in particular.

A great deal of time has been spent by the Board over many years in trying to formulate a workable selection policy in relation to eligibility and selection in state representative teams. 'Mission impossible' you might say, and the only certainty would seem to be that you are not going to please everyone. The year 2008 was no exception, with the Board again reviewing the selection policy and seeking opinions from clubs and players as to what could be done to improve our systems.

That there were flaws and inconsistencies in the system seemed beyond doubt, and at times we seemed to be 'shooting ourselves in the foot' when it came to achieving our goal of putting forward our best possible representative sides yet at the same time being true to the spirit of the policy that was in place, and also mindful of the monetary and time demands on players to meet selection criteria as well as work, home and study commitments.

Throughout 2009 the Board has tried to develop a policy that is fair and equitable, but at the same time recognises player commitments. We are hopeful that players will see the revised selection policy as one which allows ample opportunity for players from all areas of the state to showcase themselves for selection at a variety of events in a way that is least disruptive to their commitments outside of table tennis. Obviously, the board would welcome and consider feed-back from clubs and players after a reasonable trial period.

The second major undertaking by the Board during 2008 was the commissioning (with funding from Sport and Recreation Queensland) of an independent analysis of membership trends of table tennis clubs throughout Queensland. To the best of our knowledge, this is the first undertaking of such a comprehensive analysis by a sport in this state and hopefully the findings will enable clubs to understand better the transitions of players both into, and out of the sport of table tennis. With improved understanding, we should be able to target trends that are detrimental to our membership and hopefully minimise their impact. We might also be better equipped to maximise our resources in trying to generate new members in various age groups.

While the final analysis of the data is still under consideration, one thing that does seem clear at this stage is that while we are fairly successful in attracting new players to table tennis over a given time period, we also lose players in a variety of age groups during the same period for an assortment of reasons, resulting in a slower rate of overall growth at times than we might hope to achieve.

The report raises numerous questions for us to consider not only within the Board, but more specifically at a club level. Our challenge as an organisation is going to be to respond to areas in the report that demand our attention, and if necessary be prepared to develop new strategies where practices of the past may no longer be viable in an environment where there are numerous sports on offer, particularly to younger potential players.

A third major initiative in 2008, and one that I am sure all members will agree is long overdue, is the development and introduction of a formalised system of recognition of volunteers. When walking into many of the clubs in this state you are confronted with honour boards detailing a long history of commitment to the sport by volunteers. Likewise when you attend association, state and national events you can witness the efforts of the club members who keep our sport functioning for little or no reward other than the satisfaction that their involvement brings in contributing to their association and table tennis in general. I would like to commend the Board on the development of this scheme and encourage all member associations to put forward representatives from their membership to have their efforts recognised by means of these awards. I would also encourage recipients of these awards to wear their award with pride within and beyond their association.

In keeping with this concept, the Board was pleased to nominate David Delpratt (Bundaberg) and Mick McShane (Brisbane) as representatives of table tennis for the 2008 Queensland Sports Awards, for their long-time commitment as referees and contributions to table tennis in Queensland. It was further pleasing to see Mick McShane invited to attend the awards evening in Brisbane as a finalist, and by all reports he had an enjoyable evening.

Once again throughout 2008 numerous association open and closed events were held at our various clubs. Some of these events have been held over many years, while for others it was their inaugural event. It is encouraging to see clubs like the Sunshine Coast staging their first large scale open event in such a successful manner and I am sure this will encourage other 'younger' associations to follow their lead in the future.

Further I would also like to thank on behalf of the Board those associations that successfully staged our various representative events during 2008, these being Bundaberg (Queensland Closed), Townsville (Queensland Juniors), Wynnum (Queensland Veterans) and Cairns (Australian Closed). The efforts of these associations and their members bring credit to our organisation both within and beyond Queensland.

Congratulations must also go to those players who represented their associations and/or Queensland in various representative sides throughout 2008. While there are far too many players to mention individually, some achievements are detailed later in this annual report and it is pleasing to see Queensland players achieving success at the representative level. Such success is inevitably assisted by the officials, team managers, coaches, chaperones and supporters who accompany the players to the various events and I am sure their contribution is recognised and appreciated by the players as well.

Looking forward, Table Tennis Queensland is pleased to be working in partnership with Table Tennis Australia to host the World Junior Circuit Event midway during 2009. This is an exciting opportunity for our own junior players to see and perhaps train with elite players from outside of Australia, which can only assist in the development of their own game. I encourage member associations and players to support this event.

We finish 2008 in a healthy financial position and with a strong membership base. The Board continues to work towards the development of policy and strategies to assist members and associations, and to overcome various issues that have confronted us as an organisation. No doubt

## PRESIDENT'S REPORT (CONTINUED)

other challenges will arise in the years ahead. I can assure members however that from my observations, Board members are dedicated, giving of their time and committed to the development of table tennis in this state. I would like to thank all Board members for their contributions during the year.

Finally, I would like to thank our Executive Officer (Derek Scott) and Administration Officer (Karen Carruthers) for their efforts in the day-to-day running of the office of Table Tennis Queensland, responding to member enquiries, providing advice to the Board whenever needed, assisting with policy development and implementing Board decisions. They represent the visible face of our organisation in a very professional manner.

On behalf of the Board I would like to wish all members of Table Tennis Queensland well for 2009.

# EXECUTIVE OFFICER'S REPORT

## PARTICIPATION

Membership figures for 2008 showed a 3% increase on the previous year from 1456 to 1502. Ten Clubs showed an increase in membership from 2007, whilst eight showed a decrease and two remained unchanged.

Club membership fell once again from 21 in 2007 to 20 in 2008 due to the folding of the Logan Table Tennis Association. However the outlook is better for 2009 in this respect with potential new clubs in Carina, Cleveland and Logan.

The Queensland Schools Championships was once again a great success in 2008 with 50 teams from 22 schools competing in the event in Brisbane and 9 teams from 8 schools in Mackay, the first time that we have managed to hold a regional Queensland schools event. My thanks go to Dave Delpratt, Andrea Payne and the committee at Mackay for their help in running these events.

Little progress was made in the area of Athletes with a Disability (AWD), but TTA has secured some new funding from the Australian Paralympic Committee to develop AWD table tennis which will assist in developing this area of the sport.

## PEOPLE

There were two level 1 coaching courses offered in 2008, but due to a lack of interest, both had to be postponed until early 2009. Dave Delpratt ran an umpires course in Cairns in April 2008 with nine participants.

However, despite the small number of courses, TTO managed to increase the number of qualified coaches and umpires as follows:

UMPIRES	ASSOC	STATE	NAT.	INT.
2008	28	23	1	4

COACHES	1	2	3
2008	20	8	1

A pathway was developed for referees which resulted in the development of a State Referee proposal. This proposal is currently with the Officiating Committee of TTA for further work.

Finally, 2008 was a year of successes and awards for Queensland officials: Mick McShane umpired at the Olympic Games and was a finalist in the Queensland Sports Awards Service to Sport Award; Dave Delpratt umpired at the Paralympic Games and was nominated for the Queensland Sports Officiator of the Year Award and Rhonda and Jim Miller were joint winners of the TTA Official of the Year Award.

## DEVELOPMENT

TTO developed and distributed a club manual, containing copies of all TTO Governance Documents for the assistance of all member clubs.

In mid 2008 TTO consulted with state level players on the selection policy, eligibility rules for playing at state championships and calendar issues. This allowed the board of management to update these policies and criteria with the views of the players in mind. Following on from this, discussions were held with member clubs regarding the placement of association open events.

This has resulted in a tournament calendar for 2009 which is much longer than in previous years, with events more widely spread.

TTO once again in 2008 offered clubs funding for club development proposals through the Club Development Programme.

In 2008 six clubs secured a total of \$3,538 in funding as noted below:

CLUB	\$
Bundaberg	1000
Gatton	545
Gold Coast	300
Mackay	493
Rockhampton	600
Toowoomba	600

## PERFORMANCE

Eight Queenslanders were included in National Squads at the end of 2008 an increase from six the previous year:

- Claire Campbell-Innes
- Peri Campbell-Innes
- Kayla Coombes
- David Fielding
- Michelle Seckington
- Rebecca Seckington
- Ashleigh Stevenson
- Li-Fern Yeo

Medals and placings at National Championships were as follows (2007 comparison figures in brackets):

EVENT	GOLD	SILVER	BRONZE / SF
Youths	0 (3)	0 (0)	0 (0)
Closed	0 (0)	0 (0)	5 (2)
Open	0 (0)	1 (1)	0 (2)
Juniors	4 (3)	1 (2)	11 (7)
Veterans	7 (4)	6 (6)	5 (8)
AWD	0 (1)	0 (0)	0 (0)
Total	11 (11)	8 (9)	21 (19)

TTO changed the State Junior Team preparation from a one-off camp to a series of two camps held a month apart. This allowed the coaches to monitor the training of the players better than in previous years and the team members themselves seemed to prefer this format.

2008 was a successful year for TTO at National Championships with three of our teams winning gold and our individual players winning golds in 11 categories as noted below:

Under 18 Girls' Team  
 Under 15 Girls' Team  
 Over 40 Women's Team

- A Stevenson - U18 Girls' Doubles
- M Seckington - Under 15 Mixed Doubles
- A McDonnell - Over 40 Women's Singles
- B Caldwell - Over 40 Women's Doubles
- T Herbert - Over 70 Men's Singles
- Over 70 Mixed Doubles

- Over 75 Men's Singles
- Over 75 Men's Doubles

Overall, the Queensland teams won 40 medals (or semi-final placings) at national events in 2008, despite not fielding teams at the Australian Youths and AWD Championships.

## MARKETING AND PROMOTION

The main area of work in 2008 in this area was the conducting of an in-depth piece of research into membership trends within table tennis, to try to establish reasons why people join (and indeed don't join) TTO. The research reported in December 2008 and the Board of Management are currently digesting its findings.

Communications with our members, both club and individual is of high importance to TTO and to this end various strategies were utilised to ensure good communication. The TTO website received continued updates during the year and we have started tracking website statistics to gauge the amount of traffic received by the site. Two issues of Over the Net were issued to all members (with email) and to all member clubs. Thirdly, to assist clubs in sending out media releases, a media release template was developed in conjunction with the Sports Federation of Queensland.

Finally, the TTO Club Affiliation documentation and Individual Membership Pack were upgraded for 2009 to better market the work of TTO and to hopefully assist in our aim of growth in the membership.

## GOVERNANCE

At the 2008 AGM the Board welcomed Grant Beale (Wynnum) as a member and Grant has brought a fresh perspective to many discussions with his considerable business experience to offer TTO.

During 2008 the Board of Management reviewed and updated the following governance documentation:

- Constitution
- Communications Policy
- Complaints Policy

- Selection Policy
- State Championships Operations Manual

In addition a board evaluation tool was developed to allow the board to assess their own performance against various areas of performance. This can then be used on an annual basis to monitor board performance and to allow early detection of any issues.

Finally, some research was conducted into member clubs' views on the current voting structure at TTO. The result of this consultation was that there was no overwhelming appetite for change with only a small number of clubs seeking a significant change.

TTO achieved a profit of \$2,065 for the period, increasing the members equity to \$122,344.

## CONCLUSION

2008 has been for the most part a successful year with a growth in members and increased high performance success, but as always much work remains to be done in 2009 and beyond.

## AUDIT REPORT – 2008 YEAR

I have examined the records of the financial transactions of the Association for the year ended 31st December, 2008 with a view to arriving at an opinion thereon. I appreciate the assistance received from the staff of the Association's office and explanations provided regarding the handling of certain transactions.

My examination satisfied me that the accounts have been kept in accordance with proper accounting procedures and have been accurately recorded.

The Association's accounting system provides sufficient safeguards to protect the revenue and assets for which it is responsible and expenditures appear to have been made for the proper purposes of the Association and in accordance with guidelines for the Government grants received. Assets have been recorded at appropriate values and depreciation provided where required.

Accordingly, I have been able to form the opinion that these accounts and the Profit and Loss Account and Balance Sheet as at 31st December, 2008 prepared therefrom give a fair view of the financial transactions of the Association for the year ended 31st December, 2008 and of its financial position as at that date.

# OFFICIATING REPORT

---

*Dave Delpratt*

During the year, one specific State Umpire course was conducted in Cairns, prior to that Association hosting the Australian Closed Championships. From this course, two candidates have already qualified as State umpires and performed well at their first major championship. Several other Queensland umpires attended the tournament also, providing them with a valuable opportunity to umpire at a higher level than they normally experience. Their work was well-received and helped to ensure a successful event.

An Association Umpire course was conducted in Bundaberg, funded by the Queensland Government's Club Development Program through the Department of Sport & Recreation. Nine local members passed the course which is designed to give club players of all ages a better understanding of the rules as well as of umpiring in general. Additionally, another member was re-accredited as a State Umpire.

An initiative of the TTO Officiating Committee to develop a State Referee accreditation was enthusiastically supported, not only around Queensland but also by officiating representatives throughout Australia. Whilst this proposal is still in its formative stages, work on its implementation will commence soon and hopefully this new qualification will be available in the next twelve months.

Queensland umpires were again prominent at major international events in 2008. Mick McShane was selected to umpire at the Beijing Olympic Games, followed by Dave Delpratt who officiated at the Paralympic Games. Both returned with many memorable experiences. Mick was also a finalist for the Queensland Service to Sport Award in late November 2008. Jim and Rhonda Miller of Townsville were also well deserved winners of the TTA Official of the Year Award, recognising their specific contribution within 2008, but also their considerable volunteer efforts over many years.

Dave Delpratt also had the opportunity to visit Papua New Guinea then the Solomon Islands to conduct the new ITTF Basic Certified Umpire course which is now used in developing table tennis countries.

The coming year will again provide Queensland umpires the chance to officiate at two very high profile tournaments – the World Junior Circuit event and the Oceania Cadet Challenge. The tournaments will give our umpires the chance to see and be involved with play and tournament organisation of an extremely high standard, and to work with officials from around Australia and many other parts of the world. They will be held back-to-back at Tallebudgera on the Gold Coast in mid-to-late June. The Cadet Challenge is a stepping stone for the region's Under 15 players to qualify for the World Championships later in the year, while the Junior Circuit is likely to attract some of the best young players from around the Asian area and possibly Europe and other regions.

Dave Delpratt  
Chairman, TTO Officiating Sub-Committee

# COACHING REPORT

*Danny Lloyd*

I have completed the first version of the coaching DVD (Coaching Library) which will be distributed to qualified coaches in early 2009. I will be adding more items to the DVD ready for the second version mid year. For example I hope to include more coaching for beginners material.

TTO has also introduced a new coach accreditation card and lanyard to improve the visibility of our qualified coaches.

## Junior state training camps

This year we trialed using a new training schedule for State Team Preparation. One 2 day camp was followed up by a one day camp in both the North and South of the state, I found that this new model kept the players motivated and focused and clearly improved their results at nationals. I also noted that players that did not attend the training camps had poorer results than their peers who did attend the camps.

Using this new model of training, this year the format will be four 1 day camps, with two in the south and two in the north.

## National squads

This year we also have more players in the National Training Squad (NTS) and more players in the top 10 in their age groups

The new players in the NTS:

- David Fielding
- Li-Fern Yeo
- Kayla Coombs

It has been about 4-5 years since Queensland has had boys in the NTS, so again marked improvement here.

In October I was the head coach for the state team at the Australian Juniors where the Queensland team had the best results for a number of years:

- 18 Girls team – Gold
- 15 Girls team – Gold
- 15 Boys team – Bronze

## National rankings:

National Rankings are listed on page 35. Again during 2008 an increased number of Queensland players have been listed in the TTA Rankings.

## Coaches selected for the state teams:

I will have a new handbook for coaches going to the Nationals as a guide to their roles and responsibilities and to assist them in integrating with the other staff. I have also suggested that an assist team manager be selected each year to make sure that Queensland has a progression plan in place for team managers.

## State development camps:

Due to congestion in the calendar of events the State Development Camp didn't happen in 2008. However TTO did support regional camps in both Mackay and Rockhampton during the year. A modified state development camp for both regional and South East Queensland will be supported in 2009.

## Coaching courses:

I'm currently changing the Level 1 Coaching Syllabus into a Powerpoint presentation to make it easier for presenters to deliver and improve participant interaction. This should also make the course easier to upgrade when changes are made by TTA to the course.

Coaching Co-ordinator

# MEMBERSHIP

## TOTAL MEMBERSHIP

The Membership of Table Tennis Queensland for the years 1999 to 2008 is shown in figure 1. In the period the membership has increased from 964 in 1999 to 1502 in 2008 an increase of 56% in the period.

In the last twelve months the total membership has increased from 1456 to 1502, an modest increase of 3%. Ten Clubs showed an increase in membership in 2008, whilst eight showed a decrease and two remained unchanged.

## MEMBERSHIP PROFILE

Figures 2, 3 & 4 give the membership profile of TQ at 31 December 2008, split in terms of gender, membership type and age profile.

Figure 2 shows that 21% of the membership is female, compared to 79% male. This has been a small change in the profile in previous years with an increase in the percentage of members who are male, which in 2007 was 78%.

## CLUB MEMBERSHIP

Club Membership figures for 2008 were as follows:

	Brisbane	Bundaberg	Cairns	Centenary	Crow's Nest	Far North Coast	Gatton	Gold Coast	Ipswich	Mackay	Macclagan	Montville	Noosa	Redcliffe	Rockhampton	Sunshine Coast	Toowoomba	Townsville	UQ	Wynnum	Total
<b>2008</b>	252	142	42	10	18	39	47	161	25	102	19	2	12	22	51	54	153	136	14	192	1502
<b>2007</b>	287	117	55	9	21	32	28	135	25	113	27	2	16	22	56	34	142	126	10	200	1456
<b>2006</b>	358	115	32	13	0	42	27	106	28	122	21	4	20	14	55	40	118	138	73	210	1536
<b>2005</b>	308	122	42	0	0	32	30	100	24	121	0	0	20	11	71	27	101	124	95	208	1471

Figure 3 shows the split of the TTO membership by membership type.

The percentage figures are (2007 figures in brackets):

- Representative            5% (7%)
- Club/Tournament        56% (55%)
- Social                      39% (38%)

This is a fall of 2% from representative club to club and social memberships, primarily due to a smaller contingent taking part in the Australian Veteran Championships and no Queensland teams at the Australian Youth and AWD Championships.

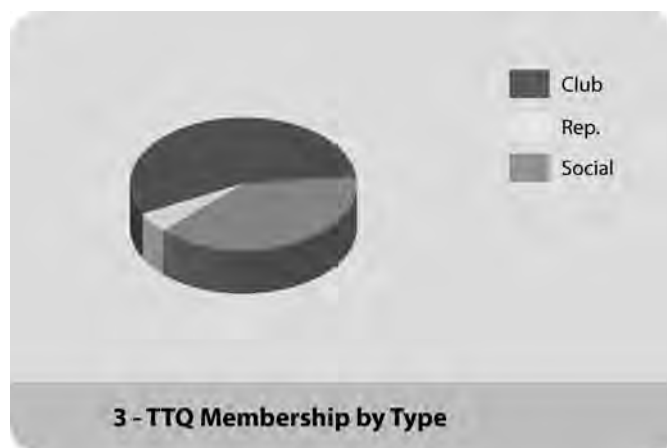

Figure 4 shows the membership of TTO split into age groups: juniors and youths, seniors and veterans. As can be seen a significant percentage of our membership is in the veteran's age group (60%). The second largest category of members is juniors and youths accounting for 24% of the membership.

The average age of a TTO member in 2008 was 43 years old.

TTO is using email to a greater extent to contact its members about events, courses and news, a method which is clearly dependent upon having email addresses for a good percentage of the membership. At 31 December 2008, TTO had email addresses for 44% of our members, as shown in figure 5, up from 41% in 2007. Clearly there is still some work to be done to ensure that this information is provided to improve our communications.
